

Are you new to AMIA? First time attending the Conference?

Are you an experienced AMIA member willing to share your knowledge of and enthusiasm for the organization?

You should participate in the AMIA Mentor Mixer!

Wednesday November 10, 2004 - 6:30 – 7:30 P.M.

This year's Mentor Mixer will be the sixth annual AMIA Mentor event. AMIA strives to be an open and welcoming organization. The Mentor program fulfills this goal by matching first-time attendees (mentees) with established AMIA members (mentors). Mentors give support and guidance to those who may be attending an AMIA conference for the first time and help new AMIA members learn more about the organization. Mentees provide experienced AMIA members an opportunity to meet newcomers to the field and the organization.

Participants will be matched prior to the conference and are encouraged to communicate by email. Mentors and mentees will be introduced at the mixer, and program participants will meet to network and share information.

Name: _____

Institutional Affiliation: _____

Phone: _____ Fax: _____

Email: _____

I am interested in participating as a: Mentee Mentor

Please check all that apply: Data Preservation/Restoration __ Access__ Research & Development __
Small Gauge__ Cataloging & Documentation __ Television __ News & Documentary __ Sound __
Digital Asset Management/ Media Asset Management__

In order to participate in this program, complete and return the form below by postmark date September 13, 2004 to

AMIA Office
1313 North Vine St
Hollywood, CA 90028
Fax: 323.463.1506

Please note: An attempt is made to match mentors and mentees one to one so mentees must pre-register. Please return your registration early! For more information contact the Mentoring Program Coordinator, Wendy Shay, at <shayw@si.edu>

DEADLINE: SEPTEMBER 13, 2004
