

2006 AMIA ARCHIVAL SCREENING NIGHT

**AMIA Conference
Anchorage, Alaska
Thursday, October 12th, 2006
6:30 pm**

The AMIA Archival Screening Night provides conference participants with an opportunity to showcase recent acquisitions and preservation efforts. This event will (tentatively) start at 6:30pm. Conference participants interested in submitting material for screening should complete this form and send it via fax, email or mail to the Screening Night Friday, September 1. Screening Night participants will be contacted after this date to confirm their participation.

Can anyone submit a film to the Archival Screening Night?

If you are showing material as part of any other screening or panel during the conference, we ask you not to submit that piece to the Screening Night. Due to the increasing length of Screening Night, it is possible that not all pieces submitted will be included in the program. **Priority will be given to material from institutions who are newcomers to Screening Night and which do not have the opportunity to exhibit materials elsewhere in the Conference Program.**

CRITERIA

1. New preservation work.
2. Footage from new discoveries or acquisitions of historical interest.
3. Each screening entry must not exceed **6 min**. This includes the intro of the material by the presenter.
4. No submission will be accepted that serves as promotional material for your organization.
